Dear Maureen,

In 2008 we have budgeted \$70,000 for veterans relief. All of that is available for veterans, we do not charge any administration. It is in it's own fund.

We are getting requests and have local veterans groups, like VFW and American Legion members investigate each application. We do have an Advisory group. We do not have any inter-local services and do require a veteran to be living in our county.

Dear Tim, earlier this year you were contacted by our office and asked to supply Rep. Moeller with information regarding the Indigent Veterans fund and its distribution in the year 2007. As of this time we have not received an answer from you so I am sending another request.

Rep. Moeller was the sponsor of the legislation that updated the statutes regarding the fund. He now serves as the Co-Chair of the Joint Committee on Veterans and Military Affairs and is compiling data on the use of the fund since the bill passed.

I know how busy you must be so at this time I am resending a list of the questions and would appreciate you providing us with answers as soon as possible. Thank you for your cooperation and help. Please do not hesitate
